

11. Is your daughter a bedwetter? Yes No

If yes, please give details including frequency of and any treatment for this. Please know that the frequency of enuresis can be higher at camp as the bathrooms are not located in the cabin. We urge you, **IF THERE IS ANY LIKELIHOOD THAT YOUR DAUGHTER MIGHT WET HER BED WHILE AT CAMP, TO DISCUSS POSSIBLE REMEDIES/SOLUTIONS (INCLUDING THE SHORT TERM USE OF MEDICATIONS SUCH AS DDAVP OR TOFRANIL) WITH HER PEDIATRICIAN** that might decrease the likelihood of this occurring while she is at camp. (See #9 on Page 18 as well as information on Page 19 of the ***Kamaji Parent Handbook.***)

12. Have there been any changes in your daughter's home life during the past 12 months (e.g., including, but not limited to, the arrival of a new sibling, parents separation or divorce, new step-parent and/or blended family, death of family member, etc.)? If yes, please explain.

13. Is there any aspect of the upcoming camp season that you and/or your daughter has concerns about (e.g., homesickness, eating, shyness, sharing, cabin clean-up)?

My daughter is a vegetarian and as such eats **no** meat, including fish and poultry, whatsoever.

My daughter does not eat red meat.

My daughter has no preference and will basically eat anything.

Please understand that we cannot individualize food plans for our campers and that the above are the **only** options available. The only **exception** is if your daughter has **food allergies**; please note those below **and** on the Medical Release and Health Information Form.

Specific Food Allergy? Yes No

If Yes, list foods, reactions/symptoms and treatment:

16. Is there a specific request you have regarding your daughter's cabin placement? While there is no guarantee that we can honor your request, we promise to carefully consider whatever is written below **and** do our best to place her with at least one of those campers you list. (Note: Our preference is to honor a **request**; however, if you list a "**disrequest**" - someone you or your daughter does not wish (her) to live with - it will likely preclude her from living with someone she does want as a cabinmate.) If your daughter is a **FIRST YEAR CAMPER**, please understand that we usually do NOT place friends from home together at camp NOR do we place first year campers with friends from home who are long-time returning campers. For more detailed information about cabin placement requests refer to Page 30 in the **Kamaji Parent Handbook**.

Still, if you would like her to sign-up for at least one week of either skiing and/or windsurfing, please note here.**)
