MEALTIME SONGS

Breakfast Grace

God has created a new day,
Silver and green and gold.
Live as the sunset may find us,
Worthy his gifts to hold.

Lunch Grace

The Lord's been good to me;
And so I thank the Lord,
For giving me the things I need,
The sun, the rain and Kamaji.
The Lord's been good to me.
Halleluhiah!

O here am I,
'Neath the blue, blue sky.
Doing as I please;
Singing with my feathered friends,
And humming with the bees.

And every seed I sow,
Will grow into a tree.
And someday there'll be apples there,
For everyone in the world to share.
The Lord's been good to me.
Halleluhiah!

Dinner Grace

For food and health this happy day,
Accept our thanks to thee we pray.
In serving others, Lord may we,
Repay our debt of love to thee.

CABIN SONGS

HATCHERY

Swimmin' in the lake all day long
Splashin' and kickin' and singing our song -
All the little girls in the Hatchery
Love it here at Kamaji
Makin' friends
YEAH! YEAH! YEAH!
Havin' fun
YEAH! YEAH! YEAH!
The Hatchery's the only place to be
Cuz, we're number 1 at Kamaji!

If you ever come to see
Our great place - the Hatchery
You will always see a smile
That will shine about a mile.
Because Kamaji's for me
There's no place I'd rather be
all I want to do
Is be with you!

We represent the HATCHERY kids
The HATCHERY kids, the HATCHERY kids.
And in the name of the HATCHERY kids
We would like to say
Our cabin is the best.

COCOON

B-Boom B-Boom
Just wanna be part of Cocoon
B-Boom B-Boom
Just want to be part of the fun
Boom Boom Boom Boom
If I can't be with all of my friends
Won't go nowhere at all.
B-Boom B-Boom
Not Cabin 1, Not Cabin 2,
Not Nutshell, Not Hatchery
B-Boom Boom Boom Boom Boom
We're the Cocoon.

Cocoon Cocoon
Cocoon is here to scream
And when we scream
We scream real mean
And this is what we mean...
Allam, allamama, allamamaji
We love Kamaji
Iska, pishka, hit 'em in kishka
Hocus pocus, dominocus.
We're Cocoon
And we're here to stay
And that is all we had to say.

(Sung to the tune of "**Coca-Cola**")

The showers may be cold
The spiders we all hate
But one thing is for sure
Cocoon is really great.
Cocoon is the cabin that's number 1
When you're in Cocoon, you always have
A lot of fun.
Doo (X6) . .Always the Cocoon
Water-ski, sail, swim and canoe
The best part of all is being in the Cocoon
So come join the fun at Camp Kamaji
Cocoon rocks the house - for you and for me
Doo (X6) . .Always the Cocoon!

TIKINIGAN

There once was a cabin called Tikinigan
End of the path and not the begin-agin
Visit us once, you'll come again-agin
We're the Tikinigan girls!

[Counselors]
Hit it! Ladies, all the ladies - louder now!

Let's talk about Tikinigan
Let's talk about the best cabin
Let's talk about all the campers and counselors
That live in Tikinigan.
Let's talk about us
Let's talk about having fun
Let's talk about playing in the sun.
Let's talk about all the laughing and the giggling
We have done -Tikinigan! Whoo!

TIKINIGAN (continued) (Tune: *Dirty Pop*, NSYNC)

Sick and tired of hearing all these campers talk about
What's the deal with Tikinigan,
and why are they always so LOUD!
The thing you've got to realize
is we're just having fun
with archery and canoeing and dancing in the sun.

It doesn't matter that we're on the younger side
at the bottom of the hill,
all that matters is that we're having fun
and there's lots of time to chill.
It doesn't matter that we're not allowed to talk on the phone.
All that matters is that at Kamaji we feel right at home.

Did you ever wonder how, we could have so much fun now,
we deserve a bow, We're Tikinigan!!

CABIN 1

Watch us wiggle
Hear us giggle
Full of pep and go
We're Cabin 1
We're loads of fun
We'll cheer you up
When you are down
We'll turn your lives
Upside down
We're the campers & counselors of
Cabin 1 ~
C-A-B-I-N 1!

Come join the fun at CABIN 1.
We're always happy and never glum.
Some girls have it; some do not.
Some are on the bottom;
But we're on top.
So let's get with it for CABIN 1.
That's the beginning of all the fun.

(sung to the tune of "Summer Night" from *Grease*)

Summer campin' is so much fun
When you're in Cabin 1
Sailing, riding, skiing too
It's the best since we're with you.
Kami days drifting away too-oo ah
On those Kami nights.
A-wella-wella-wella-uhgh!

[Porch 1] Tell me more, tell me more
Was it really that great?

[Porch 2] Tell me more, tell me more
Did you stay up real late?

[All] Uh huh, Uh huh, uh huh, uh huh aha!
IN CABIN ONE!

'Cause Cabin 3's too Kami-licious for ya babe!

CABIN SONGS

CABIN 4

Hey look us over
We're from CABIN 4!
We've got a P.G. -
Who could ask for more?
We're on top 'cause we're on the ball
We're the best of all the rest
And we'll never fall.
So, come to our cabin
And you'll see
We're the best campers at Kamaji
We'll greet you with a smile
As you walk through our door
Oh, we're from CABIN 4.
Oh, we're from CABIN 4.

Way up in the north there is a
camp called Kamaji.
And there are some girls from Cabin 4 (clap 5x), Cabin 4
Clap your hands(clap 5x)
Stomp your feet(stomp 5x)
Cabin 4 (clap 6x)can't be beat, singin'
Na na na na na, na na na na na na na na na.....
We got the power oh yeah,
In the shower, yeah, yeah
We got the spirit oh yeah,
So come on let's hear it, yeah, yeah,
Singin' Na na na na na, na na na na na na na na na.....
Hey Cabin 4? Hey what?
How do you feel?
We feel good, oh we feel so good!

CABIN 5

We must confess
That CABIN 5
Is best in everything it does.
"Do or die!"
That's our cry.
We are the girls
From Cabin 5.
Rah! Rah!
So give a cheer -
A lusty cheer,
And let the echoes of it roar.
We'll always welcome you ---
Walk across our bridge ---
We're the girls from CABIN 5!

Well you can tell by the way we dance and jive
That we are the girls from Cabin 5!
Ain't no mistakin' and ain't no doubt
That when the lights go out
We scream and shout.
Don't even try to understand
'cause we're the best in all the land.
We can't drive, we go on the Brule
But either way we're really cool.
Whether you're a Waubun or
Whether you're a Mundaahmin
It's Cabin 5! Cabin 5!
Whether you're a Geshig or
Whether you're a Metig,
It's Cabin 5! Cabin 5!
Even Nanahtahgas and Ishkadays
It's Cabin 5! Cabin 5!
Ah ah! Ah ah! Cabin Fiiiiiiiiive!
Cabin 5!

In the land of Kamaji
There's a lake and lots of trees
And some girls from Cabin 5
Who are still too young to drive
*We all live in the cabin on the hill
 We never hear the bell
 Cabin 5 is where we dwell
Cabin 5 is the coolest place to be
In all of Kamaji
As anyone can see

*We all live in the cabin by the hill
 We always hear the bell
 Cabin 5 is where we dwell

*We don't live in the cabin on the hill
 We always hear the bell
 Cabin 4 is where we dwell

CABIN SONGS

THE HILL

(Tune: What Dreams are Made of)

Have you ever seen such a beautiful cabin?
We can almost touch the stars, we're up so high!
You will see us smiling all the ti-i-me
Happiness is what we're made of
Kamaji, is what we Lo-ove

Hey Hill, Hey Hill
this is what camp is made of (X2)

We've got somewhere we belong
We've got somebody to hug
This is what camp is made of

PINE MANOR

We've spent all our summers here together.
Growing closer with each passing year.
Although we know that we will have to part soon
We will always see ourselves right here.

[Chorus]

And together is how we want to be
With friends around and new things to see.
Wishing you could be here everyday.
Friendships that we've made in the past;
We've found that they will last
And when we're apart we'll live on in our memories.

While at home and set in our routines
Being with friends and sharing good times.
We won't forget what it is we have here.
Kamaji will always stay in our minds.

[Repeat Chorus]

Come see us just a way across the bridge *
Singing P-I-N-E M-A-N-O-R
Way 'cross the bridge is the place where we live
Singing P-I-N-E M-A-N-O-R
Livin' good (livin' good)
Gettin' tanner (gettin' tanner)
Livin' good - Gettin' tanner
Cuz we live in Pine Manor
Singing P-I-N-E M-A-N-O-R
P-I-N-E M-A-N-O-R

* At end of session sing "Come see us while we're still
across the bridge")

Come see us while were still across the bridge.
Singin' P-I-N-E-M-A-N-O-R
Way 'cross the bridge is the place where we live
Singing P-I-N-E M-A-N-O-R
Packin' up, (Packin' up)
leaving soon, (leaving soon)
Packin' up, leavin' soon, 'cause the sessions almost
through
Singin' CITs are what we long to be,
CITs are what we long to be. . .

PINE MANOR sings:

We're CITs to be
The phone is not so free
Don't ask us if the coke is cold,
'Cause we don't know
We're CITs to be

CITs Respond:

You're CIT wannabe's
You think you're counselors already
Don't ask them if the coke is cold
'Cause they don't know
They're CIT wannabe's

STAFF SONGS

THE CIT SONG

We're the CITs
Don't pity us.
The Coke is cold and
The phone is free to us.
We're gonna eat, play pranks,
And stay up late
We're really great.
We're the Kami CITs.

CIT SONG #2 (By CITs '98)

(to the tune of the counselor song)

We're the counselors in training
And we're all a bunch of rookies
And we don't know anything that counselors know...
Counselors know

We pay Mike Jay to do this
And we hope that we get through it
Because we miss our mommies so
Singin' we are the CITs, we are the CITs
We're at the bottom of the totem pole
We don't write parent letters
And we all go out together
but we really love, really love being CITs

THE COUNSELOR'S SONG

We're the COUNSELORS at Kami
And we're all a bunch of honeys.
And we know everything
There is to know...is to know.
We can see you when you're readin'
And we know when you are sleepin';
That's a line you'll have to tow.

Singin' we are the Kami COUNSELORS
We are the Kami COUNSELORS.
We are the best there'll ever be,
Ever be.
We're conceited and we know it,
And we are not afraid to show it,
So you better be good...
You better be good...
You better be good to we!

WE'RE FROM THE CLOUD

We're from the Cloud (snap, snap)
We're from the Cloud (snap, snap)
Keep away 50 feet - keep away.
We've always got the munchies
We've never out of crunchies
We're counselors from Kami
And we hang out at the Cloud.
We're from the Cloud (snap, snap)
We're from the Cloud (snap, snap)
Keep away 50 feet - keep away.
The Jacuzzi and the pool -
Will keep us hot and cool.
We're the counselors of Kami
And we hang out at the Cloud.
We're from the Cloud (snap, snap)
We're from the Cloud (snap, snap)
Keep away 50 feet - keep away.

THE CUBE SONG

(Tune of *Buttercup*)

Why do you think the cube
think the Cubes
The place to be down at Camp Kamaji
Kamaji
Well listen to me
We've got BBC
BBC
Across the path there's the land of Kiwi
Kiwi
And What's Up Doc Too
We've got power
We've got power
Because we're always so cold
Because 8 people use the same shower
But we'll be true
we'll be true
Kami Cubes
We're loving you
C-U-B-E
Don't have to go too far to pee
Go Cubes!

ANOTHER CUBE SONG

(Tune: I will Remember you)

We will remember the cubes
shoo be da da da
Will you remember us too?
Shoo...-----
Don't let the cubes intimidate you
We're just normal people like you

ISHKADAY TRIBE SONGS

There is a tribe at Kamaji.
One that's surely known to be
Full of pep and on the ball,
And from the top
She'll never fall.
Ishkaday, Ishkaday's
What I'm proud to be.
Ishkaday, Ishkaday's
What I'm proud to be.
Red is my color, Yes-sir-ee.
Ishkaday, Ishkaday's
What I'm proud to be.
No other for me, Yes-sir-ee.

You hear so much.
The people stop to stare at us
Whenever we go out.
We're noted for our pep and vim
In everything we do.
Hurrah for the tribe-like spirit!
Hurrah for the tribe anew.
As we go marching - and we all
are feeling G-A-Y
You can hear us shouting
The Ishkadays are on the way!
Rah! Rah!

I - That's the way it begins,
S - That's the second letter in,
H - That is the third letter
Oh K - That's the 4th letter in that word..
AD - That's near the end
AY - That is the end.
I-S-H-K-A-D-A-Y.
That's the way to spell Ishkaday.

Oh, the tribe of red is always ahead -
We're full of pep and vim
We've got the spirit to make you hear it.
And we're striving all to win.
At the end of the year we'll stand and cheer
As our flag goes to the top
Everyone at Kamaji knows that we
Won't stop! Hey!

Ishkaday Ish Ish Kaday Ishkaday!
Ishkaday Ish Ish Kaday Ishkaday!
We're the best! (Clap, Clap)
Kami Tribe (Clap, Clap)
We've got (Clap, Clap)
That red hot vibe (Clap, Clap)
Our spirits are high (Clap, Clap)
You can't deny (Clap, Clap)
We bleed red (Clap, Clap)
Till the day we die! (Clap, Clap)
Sizzle and Burn!

Go Ishkaday tribe of red
We know you'll win
Onward to victory
Ishkaday will never give in.
So raise your banner to the top
We cannot be stopped
Camper to camper we will
Fight Red! Fight Red! Fight! Fight! Fight!

Ki yi ki yi kus
Nobody like us
We are the girls of the Ishkaday tribe
Always a-winnin'
Always a-grinnin'
Always a-feelin' fine! Ki Yi!

Our team is red hot (clap, clap)
Our team is red hot (clap, clap)
Our team is R-E-D! Red! H-O-T! Hot!
Once we start we can't be stopped. (clap and jump)
Our team is red hot (clap and jump)
Our team is red hot (clap and jump)

See that flag on top of the pole
It's red, you'll know
Stands for the tribe of Ishkaday,
A symbol burning bright.
That's why we fight,
Yes, fight tonight,
And never will we fail.
Just raise your banner higher,
Brighter burns your fire,
Ishkaday will hail!

ISHKADAY TRIBE SONGS (continued)

Here's to the red tribe at Kamaji
Here's to her spirit true,
Long may her name be cherished for
Her fame
Loyal and ever true, whatever she may do.
Fighting to win are the Ishkadays
And may they never fail.
Proudly wave the banner for our tribe
Rah-Rah for Ishkaday.

Watch us walk, hear us sing
Listen to the echoes ring.
As the red tribe goes singing along.
Should it rain, should it shine
We will keep a steady line
As the red tribe goes singing along.
For it's Ki-yi-ee and the Ishkadays for me
Shout out your colors loud and strong.
Red! Red!
Where ever you go -
You will always know
That the red tribe goes singing along.
Keep us singing!
As the red tribe goes singing along.

Hey, Hey you, get out of our way
Because today is the day for all the Ishkadays
We've got a lot of spirit
And we'll make sure you'll hear it
All the Kamigirls here will hear us cheer for the Ishkadays
We've got that red hot power
That will take us all the way!
We won't stop
til our flag's on top
'cause we're Ishkadays
So clap your hands (Clap, Clap)
And stomp your feet (Stomp, Stomp)
And keep Jammin' (Clap, Clap)
To the red hot beat
It goes Go Red!

ISHKADAY'S SLOW SONG

Each campfire lights anew
The flame of friendship true
And memories of scarlet hue
Will last our whole life through.
Red tribe at Kamaji
Forever more will be
In every fire I see
A burning memory.
And as the embers die away
We wish that we could longer stay.
But since we cannot have our way
We'll sing again for Ishkaday.

WAUBUN TRIBE SONGS

Come swing along with me
Pitch your tent 'neath the old
birch tree.
Girls of Waubun tribe are the
best tribe at Kamaji.
Rah! Rah!
We took our color from the sun
We do our work until it's done
We know we aren't the only ones
But yet we have such gobs of fun.

Cheer, girls, cheer,
For the good old Waubun tribe.
Come on and cheer, girls, cheer.
We're always striving high.
We'll never let you down.
For you're the best we've found.
We'll never let our tribe spirit die down.
Cheer! Cheer! Cheer!
Cheer, girls, cheer,
For the good old Waubun tribe.
Come on and cheer, girls, cheer.
We're always striving high.
We'll never let you down.
For you're the best we've found.
We'll never let our tribe spirit die down.
Cheer, Cheer, Cheer!

Girls of Waubun tribe -
Will you let the others take from us the victory?
Hear our warriors' chorus;
Sweep our foes before us
As we march to victory.
Onward! Onward! On against the foe,
Ever forward the orange banners go.
Hear our warriors' chorus;
Sweep our foes before us
As we march to victory.
Ki-Yi!

[Chorus]

Boom boom ain't it great to be a Waubun?
Boom boom ain't it great to be a Waubun?
Happy and trying all day long.
Boom boom ain't it great to be a Waubun?

Way up north where the pine trees grow,
There's a camp that we all know.
The name of it is Kamaji,
The tribe that's the best is the Waubuns.

[Repeat Chorus]

When you're down and out
Lift up your head and shout.
It's gonna be a great day.
When your faith is gone,
Skip it and carry on.
It's gonna be a great day!
Angels watching o'er us,
Rooting for us shouting Waubun! Orange!
Though the skies are grey,
We will yet win the day.
Waubuns are the greatest that way.
HEY!

Waubuns we are very proud of you
You're the best tribe in the land.
Your orange banners shall fly
The nearest to the sky.
Rah! Rah!
So sing with us merrily
To the orange we'll be true.
Lead our tribe to victory
We're fighting on for you.

(Leader) "What's the Word?!?"
The word is "Fight, Fight Fight for a Waubun!"
Every loyal Waubun sings.
The word is "Fight, Fight, Fight for a Waubun
'Til the walls and rafters ring." Ooh, Rah! Rah!
The word is "Cheer, Cheer, Cheer for a Waubun
'Til the end of the final gun."
The word is "Cheer, Cheer, Cheer for a Waubun
'Til the game is won!!!"

Waubuns, let's go
Lets go, lets go
When waubuns come to town
We'll shut you down
Our W stands for Win
and We'll do it with a grin
We shine like the sun
and we wont stop till we're done
So come on orange team
let me hear you scream

Whenever we go out.
We're noted for our winning ways
In everything we do.
Most everybody likes us;
We hope you like us, too.
For as we go whirling,
Whirling all the day
At Kamaji you can hear them saying
The girls of the Mundahmin tribe
Are on their way.

Mundahmins, dear Mundahmins
Tribe of which color's yellow.
Hi-Ki! Hear our cry.
As our tribe goes out to fight! fight! fight!
For the camp we love so well
In the pines of Minnesota
We'll uphold our tribal name of Dear Mundahmins.

From the sandy shores of Wolf Lake
To the far-off riding ring
We will fight Mundahmin's battles
To the praises that we sing.
And when our tribe goes in to fight
With her yellow banners high
You will hear those cheering campers shout
"Come on, Mundahmins, fight!"

Reeses Peanut Butter Cup
You mess with us, we'll beat you up
Our spirits high
Our doubts are low
And this is how Mundahmins go:
Uh, Mundahmins, Uh, Uh Mundahmins

Our silver song of loyalty;
From our hearts it shall ring
Ever through eternity
With arms that never tire
Of reaching to above.
Oh pine - thus we aspire
To learn of God and love
Through ease or through strain

That to us at Kamaji
Our Metig tribe will always reign.

Whenever we see
The tall and stately pine
We'll remember thee.

Kindly step to the rear
And let the blue tribe
Lead the way?
Here's where we separate
The best from the rest.

Has the most pep and go.
That's why we all say:

Kindly step to the rear
And let the blue tribe
Lead the way!

And the tribe is blue Geshigs.

AFTER TRIBE SONGS EVERYONE SINGS —

RED IS A COLOR OF GLORIOUS HUE. . .

Red is a color of glorious hue
And even white
Is a nice neutral shade.
The blue is all right
For the moon in the night;
It even makes some eyes
Look almost like paradise.
The red, white and blue
Makes a good looking crew
That ought to thrill us
When we see it wave.
But it's the a combination
Of hues that's just right
That makes us wild and happy
And crazy to fight.
So you just show me
The true heart of Camp Kamaji
And we will wear and swear
And tear our hair
For our rainbow tribes!

and . . .

KAMAJI HATS OFF TO THEE

Kamaji, Hats Off to Thee
To our colors true we shall ever be
Firm and strong, united are we.
Ra-Ra.-sis-boom-bah!
Ra! Ra! Ra! Ra!
Ra! For our Wolf Lake camp!
Cheer! Cheer! Cheer!

or . . .

WE DON'T WANT TO GO HOME

Note: Can only be sung last 5 days of each camp session

We don't want to go home Boom! Boom!
We're having such a wonderful time.
They say there's no place else like home
But Kamaji suits me fine.
So lend me a bed on a porch Boom! Boom!
And tell my folks back home.
They can always hear us
Singing our song:
"WE DON'T WANT TO GO
WE DON'T WANT TO GO,
WE DON'T WANT TO GO HOME!"
We really mean it:
Ba Ba. Ba. Ba.
"We don't wanna go home!"

and . . .

Things go better at Kamaji;
Things go better at camp.
Life is so much more fun
When you're at camp.
Do we wanna go home? NO!!!!

AFTER SLOW SONGS EVERYONE SINGS ~

TELL ME WHY

For the sands a billion grains
Millions of drops for the falling rains.
And in the forest a hundred pines
Soft blended hues is a sunset fine.
So it seems that great things art
Made of many a smaller part.
So it takes six tribes you see
To make a rainbow at our Kamaji.

Sing of Kamaji.

RAINBOW GIRL TRIBE SONG

We are the Rainbow Girls
We wear our hair in curls
We wear our dungarees
Way down below our knees
We wear our brother's shirt
We wear our father's tie
And when we want a guy
We simply roll our eyes.

CORBY'S SONG

For the red tribe you may fight
And glow with the firelight.
Or with the orange you may run
To shine with the rising sun.

[Chorus]

I can see (I can see) rainbows
Kamaji rainbows (Kamaji rainbows)
I can see rainbows (I can see rainbows)
In her eyes.

Sprout your friendship the golden way
And harvest a brighter day.
Little people look up to you
A true friendship's never through.

[Repeat Chorus]

The blue tribe strives very high
Their arrow points toward the sky.
In the purple of the night
The evening star shines high and bright.

I can see rainbows (I can see rainbows)
Kamaji rainbows (Kamaji rainbows)
I can see rainbows (I can see rainbows)
In her eyes
(In your eyes).

Few times we've been around this camp
Every time we swim we are the champs
Cuz we ain't no light tribe girls no
We ain't no dark tribe girls no
Few times we've gotten slack
But no matter what we've got your back
Cuz we are the kitchen staff ya
We are the random staff ya

TRIBE BANQUET SONGS

ISHKADAY BANQUET SONG

Red Tribe at Kamaji, true to you we'll always be.
With our Ishkaday fire burning bright,
always striving for it's shining light,
and the memories of Kamaji, we'll always keep in our hearts.

Red Tribe at Kamaji on a dark and raining day,
we'll think back to Ishkaday,
and the fire will warm us through,
just thinking of me and you and the magic of friendship true,
we'll always keep forevermore, red tribe at Kami.

WAUBUN BANQUET SONG

(Tune: *Green Leaves*)

When we're away we won't forget,
The times we've had here, the girls we've met.
Our tribe stands out o'er all the rest
Oh rising sun of Waubun.

Oh tribe of orange we sing to thee,
Our Waubun tribe at Kamaji.
Hail to te girls who have been true
To the rising sun of Waubun.

[Chorus]

True, true we shall ever be
To our Waubun tribe at Kamaji
This, this our pledge we give
To the rising sun of Waubun.

Your rays will lead us through our youth,
To years of faith, of love, and truth.
Your light will shine to guide our way,
Oh, rising sun of Waubun.

[Repeat Chorus]

MUNDAHMIN BANQUET SONG

We pledge ourselves to thee, Mundaamins,
Yellow tribe at Kamaji
Through the years though we may stray,
True to you we'll always be,
Gold Tribe we are true to your standards,
Though from Kamaji we'll roam
Still our hearts will be together,
'till we bring our harvest home.

Someday when we leave forever,
Someday when we're far apart,
The Mundaamin spirit will always live within our hearts.
Gold flag will always fly high;
Towards the sky Mundaamins go;
Members of our yellow tribe,
We will always love you so!

METIG BANQUET SONG

Emerald tribe at Kami
Stands before thee now
Honor we will bring thee
This we pledge today
Treasuring the old,
Loyalty to new friends,
Each by her fireside
Memories will hold

Emerald tribe at Kami
Makes a rainbow hue
Fill each heart with gladness
Make each camper true
Girls of the Metig true
Pledge ourselves to you
Cherish this moment
Keep it's memory true

GESHIG BANQUET SONG

[Chorus]

Oh Geshigs, Oh Geshigs
Our blue tribe, yes our Geshigs
As we sing our tribe of blue
We are done, but not through
As the summer comes to end
We'll remember our good friends
We will praise and lift you high
Oh Geshigs

Through you love and through you strength
You gave us faith for this we thank
Through our days at Kamaji
You have taught us loyalty
Oh arrow to the sky
You are the one for which we try
To keep our flag of blue flying high

[Repeat Chorus]

Through the years we have seen
How much your friendship mean
And we have tried to see
What Geshigs ought to be
Every summer we come back
And add to what we lack
From Star Island to Wolf Lake
Traditions we did take

[Repeat Chorus]

TRIBE BANQUET SONGS (continued)

NANAHTAHGA BANQUET SONG

Purple skies and evening star so bright
You will always be my guiding light
Winning well, if win we may,
Losing with a smile of praise,
And looking forward to the coming years.
Stepping in and leaving back all fears.
Keeping Kami's spirit true.
Till we meet again
Purple skies and evening star so bright
You will always be my guiding light
We will cherish memories,
Of our days at Kamaji
And now that camping days are at a close
We will pledge each other that we'll hold
Nanahtahga's friendship true, til we meet again.

SPECIAL KAMAJI SONGS

THE COUNCIL FIRE SONG

As the pines and darkest woods surround us
As the sunset fades tonight.
Gather we the girls of Kamaji
'round our ever widening ring of light.

There burns bright the fires
Of soul and service;
Those of mind and body, too.
As we pledge our love
And our allegiance
Kamaji, may your spirits glow anew.

O Kamaji, we gather 'round
To watch the Council Fires
Leap toward the sky.
The campfire's dim,
But memories of you will never,
Never die.

(As shadows fall, bright embers glow
As we sing our goodnight to Camp Kamaji.
Deep in our hearts our love will grow
For our friends at Kamaji.)

TAPS (Day is Done)

(Always sung after the "Council Fire Song")

Day is done. Gone the sun
From the lake, from the hills,
From the sky.
All is well; safely rest.
God is nigh.
And goodnight

MM MM I WANT TO LINGER

Mm Mm I want to linger
Mm Mm a little longer
Mm Mm a little longer
Here with you.
Mm Mm it's such a perfect night
Mm Mm it doesn't seem quite right
Mm Mm that this should be
Our last with you.
Mm Mm and come December
Mm Mm I will remember
Mm Mm our camping days
Of friendship true.
Mm Mm and as the years go by
Mm Mm I'll think of you and sigh
Mm Mm this is "Goodnight"
And not "Goodbye."

JET PLANE (Kamaji Version)

All your bags are packed,
You're ready to go;
We're standing here
By your cabin door -
We hate to wake you up to say "goodbye".
But the dawn is breaking,
It's early morn,
The buses are waiting,
They're blowing their horns.
Already we're so lonesome
We could cry.

[Chorus]

So hug us and smile for us.
Tell us that you'll write to us.
Hug us like you'll never let us go.
You're leaving on a jet plane -
Don't know when you'll be back again.
Campers, we hate to see you go.

There's so many times we've hung around,
So many times we've played around.
We tell you know - they all mean something.
Every place we go, we'll think of you;
Every song we sing, we'll sing for you;
When you come back, we'll all be here for you.

[Repeat Chorus]

Now the time has come to leave you -
One more time let us hug you;
Then close your eyes, you'll be on your way.
Dream about the days to come,
When we won't have to sing alone.
About the time we won't have to say...goodbye
Goodbye

[Repeat Chorus]

SONGS DEDICATED TO CAMP KAMAJI'S FOUNDERS & DIRECTORS

Like Unto a Ship

(Dedicated to Bert and Phil)

Like unto a ship
Is our own dear Kami camp.
Bert as the pilot
Is our ever-guiding lamp.
Phil as the first mate
Leading the crew
Of Kami girls so strong and true.
Counselors are there
To give us each a helping hand.
We will always strive
To be a happy, cheerful, band.
As long as our ship sails on the sea
We'll be true to thee.

50 Years of Kamaji

(Dedicated to Bill and M.F.)

Many years have come and gone
But the golden year of Kamaji
Will live forever in our hearts
And leave a lasting memory.
Campers new and campers old
Have all been true
Through years untold.
The joys they've shared,
The tears they've beared,
Will ever be remembered there.

The 50 years of Kamaji
Fill many hearts with loyalty.
For we have found a rainbow's end
And ne'er too many days we'll spend
At our fair Kami
For it's there.

So here's to MF and Bill
Whose love so many hearts have filled
Our lives may change
Our paths may part
But you'll be there
Within our hearts.

TO NANCY AND BOB

One night as I was thinking
Of all my memories
The first that came across my mind
Were those of Kamaji.
To Council Fire and Vespers,
My thoughts all seemed to fly;
The beauty of the pine trees,
The shining water and the sky.

[Chorus]

To Nancy and Bob
When will I again
Meet you there
Greet you there
By the moonlit shores of Wolf Lake.

The six tribes of the rainbow
Will never stand alone;
For each has given every girl
A purpose of her own.
Striving us together,
Learning how to share,
Friendships made to last our lives
And truly learning how to care.

[Repeat Chorus]

And every New Year's Eve
As each girl lights her flame
The widening ring of Kami's light
Will spread her love and fame.
And though the years have swept by
My memories still find me
Thinking of the friendships
And my fair days at Kamaji.

[Repeat Chorus]

SONGS DEDICATED TO CAMP KAMAJI'S FOUNDERS & DIRECTORS

TWENTY YEARS GONE BY

(Dedicated to Mike and Kathy Jay)

Can you go back in time
To a place in your mind
To the one who knew, A part of you
And the love that grew inside

If you ask me to choose
Between a memory or two
Twenty years gone by, I still know why
You've been here all this time.

[Chorus]

'cause now I see
What friendship means to me
The days we've spent at Kamaji
Though times may change
Still one truth remains
You'll always be a part of me.

We want you to know
About the memories we hold
All the times we've shared
The friends who've cared
Our Kami family.

Mike and Kathy, yes it's true
You've made this our home too
A place for girls
To be themselves
And this we owe to you

[Repeat Chorus]

GLOW WORM *

Glow, little glow worm,
Glimmer, glimmer.
We know a girl who could be slimmer.
Teeth bashed in and hair peroxidized.
In the moonlight she's cross-eye-ed.
Ruffles on her petticoat
Blow in the breezes
Just to show off her knock-knees-es.
We don't care what people say
We love (Camper's/counselor's name) anyway!

WHERE ARE YOU GOING *

(Camper's/counselor's name), where are you going?
Upstairs to take a bath.
(Camper's/counselor's name) with legs like toothpicks
And a neck like a giraffe –
Raffe-raffe-raffe.
(Camper's/counselor's name)'s in the bathtub,
(Camper's/counselor's name) pulled out the plug.
OH MY GOODNESS. OH MY SOUL!
There goes (Camper's/counselor's name) down the hole.
(Camper's/counselor's name), where are you going?
Glub! Glub! Glub!

WE LOVE YOU (Camper's/counselor's name) *

We love you (Camper's/counselor's name)
Oh yes we do!
We love you (Camper's/counselor's name)
And we'll be true
When you're not with us,
We're blue, so blue
Oh (Camper's/counselor's name) we love you!

Just as bright as mine.

The skeeters must!
Good morning Kamaji girls
With your smiles just as bright as,
Smiles just as bright as,
Smiles just as bright as mine.

WAY UP IN THE SKY

Way up in the sky
The little birds fly
While down in the nest
The little birds rest.
With a wing on the left
And a wing on the right
We'll let the poor birdies
Sleep all through the night!
Shhhhhhh!
They're sleeping!
The bright sun comes up
The dew falls away.
"Good morning! Good morning!"
The little birds say.

While down in the sea
The little fish pee
With a fin on the left
And a fin on the right
We'll let the fish
Swim all through the night
Shhhhhhh!
They're swimming

The farmer comes out
Shot gun in hand
Boom, boom, boom, boom
No birds on my land
With a wing on the left
And a wing on the right
The little dead birdies
Fall all through the night
Shhhhhhh!
You'll wake the dead birds.

JUNIOR BIRDMEN

Up in the air junior birdmen!
Up in the air upside-down!
Up in the air junior birdmen!

And you see those wings of tin,
You can bet the junior birdmen
Have sent their boxtops in!
Junior Birdmen! Junior Birdmen!
B-I-R-D-M-E-N
Birdmen! Birdmen! Birdmen!

I LIVE AN UPPY

I live an uppy; a very, very uppy
I live an uppy; a 31st floor.
I do a washy; a very, very washy -
Ruffles on her petticoat, 10 cents more.
I like a chow-chow better than a bow-wow;
I like a little girl and she like a me.
Way back in Hong Kong a big a man a come along
He take my little girl away from me.
I go to Hong Kong; give the man a bong-bong;
He give my little girl a back to me.

TARZAN

Tarzan!
Swinging on a rubber band
Tarzan!
Crashed into a frying pan
Ouch that hurts!
Now Tarzan has a tan
And I hope it don't peel
Like a banana

Jane!
Cruisin' in her air-o-plane
Jane!
Crashed into a highway lane
Ouch that hurts!
Now Jane has a pain
And Tarzan has a tan...

Cheetah!
Grovin' to the beat-a
Cheetah!
Got eatin' by amoeba
Ouch that hurts!
Now Cheetah is Velveeta
And Jane has a pain
And Tarzan has a tan...

Shamu!
Swimmin' in the ocean blue
Shamu!
Crashed into a red canoe
Ouch that hurts!
Now Shamu is through
And Cheetah is Velveeta.....

Rhonda!
Cruisin' in her Honda
Rhonda!
Crashed into a pond-a
Ouch that hurts!
Now Rhonda has no Honda
And Shamu is through....

ON THE BACK OF A CROCODILE

She sailed away
On a bright and sunny day
On the back of a crocodile.
Said she to me "He's as tame as he can be.
I'll ride him down the Nile."
The croc winked his eye
As she waved them all goodbye
Wearing a happy smile.
At the end of the ride
The lady was inside
And a smile on the crocodile.
(Clap! Clap!)

THE BEAR SONG

The other day, I met a bear,
A great big bear, Oh way out there.
The other day, I met a bear,
A great big bear, a way out there.

He looked at me, I looked at him,
He sized up me, I sized up him.
He looked at me, I looked at him,
He sized up me, I sized up him.

He said to me, "Why don't you run?
I see you ain't, Got any gun."
He said to me, "Why don't you run?
I see you ain't, Got any gun."

I says to him, "That's a good idea."
"Now legs get going, get me out of here!"
I says to him, "That's a good idea."
"Now legs get going, get me out of here!"

And so I ran, Away from there,
But right behind me, Was that bear.
And so I ran, Away from there,
But right behind me, Was that bear.

In front of me, There was a tree,
A great big tree, Oh glory be!
In front of me, There was a tree,
A great big tree, Oh glory be!

The lowest branch, Was ten feet up,
So I thought I'd jump, And trust my luck.
The lowest branch, Was ten feet up,
So I thought I'd jump, And trust my luck.

And so I jumped, Into the air,
But I missed that branch, A way up there.
And so I jumped, Into the air,
But I missed that branch, A way up there.

Now don't you fret, And don't you frown,
I caught that branch, On the way back down!
Now don't you fret, And don't you frown,
I caught that branch, On the way back down!

This is the end, There ain't no more,
Unless I see, That bear once more.
This is the end, There ain't no more,
Unless I see, That bear once more.

THE DOODLY-DOO

Please sing to me
That sweet melody
Called the Doodly-doo,
The Doodly-doo.
I like the rest,
But the one I like best
Is the Doodly-doo,
The Doodly-doo.

[Chorus]

Some folks say
There isn't much to it.
You don't have to sing,
Just Doodly-do it.
I like it so
That wherever I go
I just Doodly-doodly-do.

Come on and waddy-ah-cha,
Waddy-ah-cha,
Doodly -do-doddly-do.
Waddy-ah-cha,
Waddy-ah-cha,
Doodly-do-doodly-do.

Some people say that fleas are black
But I say that's not a fact
'Cause Mary had a little lamb
With its fleece as white as snow.

Sat on a curbstone shooting dice
The horse he slipped and fell on the flea
"Oops!" said the flea, "There's a horsie on me!"

A monkey stepped on an elephant's toe.
The elephant cried with tears in his eyes,
"Why don't ya pick on a guy your own size?"

THREE LITTLE DUCKS

Three little ducks that I once knew
Fat one, skinny one, there were two
But the one little duck with the feather in his head
He ruled the others with his "Quack, quack, quack
Quack, quack, quack."
He ruled the others with his "Quack, quack, quack."

Down to the river they all did go
Wiggle, waggle, wiggle, waggle all in a row.
But the one little duck with the feather in his head
He ruled the others with his "Quack, quack, quack
Quack, quack, quack."
He ruled the others with his "Quack, quack, quack."

BLACK SOCKS

Black socks they never get dirty
The longer you wear them
The blacker they get.
Some day I think
I shall wash them.
Something inside me says
"Don't do it yet! Not yet!

MRS. O'LEARY

One dark night when we were all in bed
Mrs. O'Leary left the lantern in the shed
And when the cow kicked it over
She winked her eye and said,
"There'll be a hot time
In the old town tonight.
Fire! Fire! Fire!"

(repeat verse - last line instead of Fire, Fire, Fire sing
Water! Water! Water!)
(repeat verse again with last line being

With the moon shining all around.

So whatcha gonna do in a little canoe

Boy swimming' all a----

THE NUT SONG

I live in a little grass hut
People come and step on me
That is why I'm cracked you see.

[Chorus]

I'm a nut
I'm a nut

Called myself on the phone
Just to hear the dial tone
Ask myself on a date
Got to be ready by half past eight.

[Repeat Chorus]

Take myself to the show
Just to hold my hand you know
Wrap my arms around my waist
Get so fresh I slap my face.

[Repeat Chorus]

WEB FOOTED FRIENDS

Be kind to your web footed friends
For a duck may be somebody's mother.
Who lives all alone in a swamp
Where the weather is cold and damp.

You may think that this is the end
But to prove to you I am a liar
We're gonna sing it again
Only this time a little higher.

[Each time you sing this it gets a little faster and a little
higher and when you finally can't any higher or faster you
end the song with the line –]

Well you may think that this is the end - Well it is!

BREAKFAST AND LUNCH "LOUD" SONGS

OH GEE HOW HAPPY I FEEL

Oh gee how happy I feel
I've got the vision of an automobile
I don't have to worry
Where I get my next meal
'Cause I'm eating chicken
And I don't have to steal.
Everything's just going my way
Every dog's gotta have his own day
Well I've got mine and I'm ready to say
Everything, Everything
Everything, Everything
Everything's going my way. HEY!

Well my clothes are tailor made
And my shoes are patent leather. WOW!
All you got to do is
Is to stitch yourself together.
Take a look at me and
A Lordy, Lordy, Lordy
Everything's going my way. HEY!

IN A COTTAGE

In a cottage in a wood,

Saw a rabbit hopping by
Knocking at my door.
"Help me! Help me! Help!" he cried,
"ere the hunter shoot me dead!"
"Little rabbit, come inside,
Safely you'll abide."

THE FORD SONG (Pile of Tin)

Honk, honk, rattle, rattle, rattle, crash, bang, bang
Honk, honk, rattle, rattle, rattle, crash, bang, bang

Started out at half past seven
When I found I had no brakes
Drove right past those pearly gates.

THE UNICORN

A long time ago when the earth was green
There was more kinds of animals than you'd ever seen
They'd run around free when the earth was being born
But the loveliest of them all was the unicorn.

There was green alligators and long-necked geese
Some humpty-backed camels and some chimpanzees
Some cats and rats and elephants but sure as you're born
The loveliest of all was the unicorn.

Now God seen some sinnin' and it gave Him a pain
And He says "Stand back; I'm going to make it rain."
He says "Hey, Brother Noah, I'll tell you what to do
Build Me a floating zoo.
And take some of them green alligators and long-necked
geese
Some humpty-backed camels and some chimpanzees
Some cats and rats and elephants but sure as you're born
Don't you forget My unicorn."

Old Noah was there to answer the call
He finished up making the ark just as the rain started fallin'
He marched in the animals two-by-two
And he called out as they went through:
"Hey Lord, I got Ya green alligators and long-necked geese
Some humpty-backed camels and some chimpanzees
Some cats and rats and elephants
But Lord I'm so forlorn; I just can't see no unicorn."

Then Noah looked out through the driving rain
Them unicorns were hiding, playing silly games
Kicking and splashing while the rain was fallin'
Oh! Them silly unicorns.

There was green alligators and long-necked
geese
Some humpty-backed camels and some chimpanzees
Noah cried "Close the door cuz the rain is fallin'
And we can't just can't wait for no unicorn."

The ark started moving; it drifted with the tides
Them unicorns looked up from the rocks and they cried.
And the waters came down and sorta floated them away
And that's why you've never seen a unicorn to this very
day.

You'll see green alligators and long-necked geese
Some humpty-backed camels and some chimpanzees
Some cats and rats and elephants but sure as you're born
You're never gonna see no unicorn.

RAGTIME COWBOY JOE

Way out West where the bad men are
And the only thing that guides 'em
Is the evening star.
He's the roughest, toughest man by far
His name is Cowboy Joe.

He always sings, raggedy music to the cattle
As he swings, back and forward, in the saddle
On a horse, – a pretty good horse
He's got a syncopated gaiter,
And you ought to hear the meter
To the roar of his repeater
How they run – yes run!
When they hear him 'a-comin',
Cause the Western folks all know

He's a high-falootin', rootin', tootin',
Son of a gun from Arizona
Ragtime Cowboy,
Talk about your Cowboy
Ragtime Cowboy Joe! BANG!

HA, HA, DRIP, DRIP, DRIP

And that maiden caught his eye.

Now the wedding bells they do ring
And the people they do sing.

Do your ears hang low?
Do they wobble to and fro?
Can you tie them in a knot?
Can you tie them in a bow?
Can you throw them over your shoulder,
Like a continental soldier?
Do your ears hang low?

WHEN A KAMI GIRL WALKS DOWN THE STREET

When a Kami girl walks down the street
She's got the good old look from head to feet
She's got the style and smile of a millionaire
And when you look at her, you'll recognize her

She's got the good old Kami pep and go."
When you look at her it's quite a treat,
it can't be beat, Kami girl..."
She walks, she talks, she walks down the street
Then crawls on her belly like a reptile
Ah, Ah, Ah, Ah, Ah
she can even scramble like an egg ah-ha
Shoot 'em boys, she's got her boots on.

PERCY

Way up in the land of ice and snow
Where the temperature drops to 40 below
Who's the happiest one up there?
It's Percy, the pale-faced polar bear!

Sleeps all day and then at night,
Catches a few fish in the pale moon light.
Has no worries, has no cares!
He's Percy the pale-faced polar bear!

Then one day a hunter came,
Grabbed poor Percy by the snout.
Put him in a great...big...cage...
And Percy howled and he growled, but he couldn't get out.

Now he's living in a zoo,
The funny thing is he likes it too,
Cause he met his girlfriend there,
And she loves, Percy the pale-faced polar bear.

Whoooooo?
Percy, the pale-faced polar bear!

BUG JUICE

(To The Tune of *On Top Of Old Smokey*)

Here at Camp Kamaji,
They gave us a drink
We thought it was Kool-Aid
Because it was pink
But the thing that they told us
Would have grossed out a moose
That great tasting pink drink
Was really bug juice
It looks fresh and fruity
Like tasty Kool-Aid
But the bugs that are in it
Were murdered with raid
We drank it by gallons
We drank it by tons
But then the next morning
We all had the runs
Next time you drink bug juice
And a fly drives you mad
He's just getting even
'Cause you swallowed his dad

GOPHER GIRLS

CAMP KA - MA - GEE

(The music is **Dance of the Hours**)

Hello mother, hello father,
here I am at Camp Ka-ma-gee
Camp is very entertaining,
and they say we'll have some fun,
if it stops raining...

I went hiking with Jill Spivy.
She developed poison ivy.
You remember Laura Skinner;
She got ptomaine poisoning last night after dinner.

All the counselors
Hate the waiters,
And the lake has alligators.
And the head counselor
wants no sissies,
So, she reads to us from something called Ulysses.

No I don't want
this to scare ya;
But my bunkmate
has malaria.
You remember Jessica Hardy...
They're about to organize a searching party.

Take me home, oh mother, father.
Take me home, I hate Ka-ma-gee.
Don't leave me out in the forest where
I might get eaten by a bear.
Take me home, I promise I will not make noise
Or mess the house with all my toys.
Oh please don't make me stay!
I've been here ONE-WHOLE-DAY

Dearest Father,
Darling Mother,
How's my precious little brother?
Let me come home if you miss me.
I would even let Aunt Bertha hug and kiss me...

Wait a minute...
It stopped raining!
Gals are biking...
Gals are sailing,
playing baseball...gee, that's better

Mother, Father, kindly disregard this letter!

KAMAJI "SLOW" SONGS

CAMP KAMI

Camp Kami, Camp Kami,
Your maidens have gathered
To sing on the shores of the lake.
Night soon will be falling,
night winds will be calling
As waves on the shore
Softly break.
While far to the westward
Some just view the sunset
For those who have
Eyes and can see.
The angels have lighted
A campfire - Camp Kami
A campfire for you and for me.

KAMAJI

(sung to the tune of Edelweiss)
Kamaji, Kamaji,
Every summer you greet me.
Standards high,
Girls who try,
Living in friendship together.
Rainbow at Kami
You'll shine so bright
Shine so bright forever.
Kamaji means to me
Love and friendship forever.

IF A PICTURE PAINTS A THOUSAND WORDS

If a picture paints a thousand words
Then why can't I paint you?
The words will never show this camp
I've come to know.
The counselors are always there -
To us our special friends,
Our leaders of today
To guide us on our way.
And now the time to go has drawn near
We know we've learned to give and care.
If I could be two places at one time
I'd be right here tomorrow and today
Making friendships that will stay.
To Mike and Kathy we give our love
And thoughts throughout the years;
And hope on our return to carry on
What we've learned.
With all these entwined in memories
Our Kamaji rainbow will ever shine.

20## AT KAMAJI

20## at Kamaji;
No other year the same.
Every girl a comrade true
No matter name or town or fame.

20## at Kamaji;
Sunset and evening glow.
But it's the inspiration most
That makes us love it so.

GOIN' TO CAMP KAMAJI

[Chorus]

In my mind I'm goin' to Camp Kamaji
Can't you feel the sunshine?
Can't you just hear those kids whine?
Ain't it just like those kids of mine
To kick me in my behind?
Yes, I'm goin' to Camp Kamaji
In the summertime.

Three months ago, we didn't know what
The summer would hold
A bunch of strangers meeting here.
Now I look around and see
All my friends surrounding me.
Yeah it feels nice
And I'm goin' to Camp Kamaji
In the summer time.

[Repeat Chorus]

There ain't no doubt in no one's mind
Your camping days are the best you'll find;
I know they've been the best of mine.
And now those tears, they fill my eyes
As I realize it's time to say "Goodbye" -"Goodbye...".
And I'm goin' to old Camp Kami
In my mind.

In my mind I'm goin' to old Camp Kami -
Can't you feel the sunshine?
And don't you just miss those kids whine?
Ain't it just like those kids of mine
To stay on the back of my mind?
Yes, I'll be thinkin' of old Camp Kami
In the wintertime.

KAMAJI "SLOW" SONGS

REMEMBER

Remember the times you've had here.
Remember when you're away.
Remember the pals you've made here.
And don't forget to
Come back someday.
Remember we love you, campers;
Remember counselors, too.
For you girls belong to Kami
And Kami belongs to you.

LAND OF THE SILVER BIRCH

(Sung in rounds)
Land of the silver birch
Home of the beaver
We're Kami Indian Tribes
Fight on still.
Blue skies and rocky shores ~
I will return once more
Boom-dee-op, bop, bop, bop
Boom-dee-op, bop, bop, bop.

WHAT KAMAJI MEANS TO ME

In the stars and the trees I see
A wealth of beauty and majesty.-
They call this place "Kamaji" -
What does it mean to me?

'til I came to know your precious face
And I felt the wonder of this place
Then I knew that this was more than just
Another pretty sight where stars shine in the night and...
Now we walk together day by day
Knowing our time together will not stay
Helping each other along the way
That's what "Kamaji" means to me.

I will join in camp activities
And add my face to its history.
They call this place "Kamaji" -
What does it mean to me?

'til I came to know your precious face
And I felt the wonder of this place
Then I knew that this was more than just
Another pretty sight where stars shine in the night and...
Now we walk together day by day
Knowing our time together will not stay
Loving each other along the way
That's what "Kamaji" means to me.

ACROSS THE STILLNESS OF THE LAKE

Across the stillness of the lake
We hear the call of Camp Kami.
Then all the silvery echoes wake
To answer back "Camp Kami."

O ye who bear the lofty torch
Think thoughts of evil never.
Be mindful that each song ye sing
Goes on and on forever.

When ye have passed
The torch someday
And others echo Camp Kami,
Grant us dear God such lives as may
Still echo back "Camp Kami".

KAMI WE'LL MISS YOU

(Melody: "*Climb Every Mountain*")

Kami we'll miss you
All through the year.
We will all be wishing
That we could be near.
The friends that we've made
And the times that we've shared
And the strength that we've gained
And the counselors who cared.
Kami we'll miss you
When we are gone.
But we know your spirit
Will live on and on.

THE MOON FROM UP ABOVE

The moon from up above
Shines down on us
With God's perfect love.
And there in the pale moonlight
Stands Kamaji so peaceful at night.

Our campfires softly glowing;
Our voices raised in song;
Our hearts are joined in friendship
That will last a lifetime long.

And as the years go by
Our memories will never die.
And though we may never return
For Kamaji our hearts will yearn.

Our campfires softly glowing;
Our voices raised in song;
Our hearts are joined in friendship
That will last a lifetime long.
Our hearts are joined in friendship
That will last a lifetime long.

KAMAJI "SLOW" SONGS

LOVE IT IS...

Some say love it is a river
That drowns the tender reed.
Some say love it is a razor
That leaves your soul to bleed.
Some say love it is a hunger,
An endless aching need.
I say love it is a camp
That's known as Kamaji.
It's the sharing and the caring;
The friendships and the tribes;
It's the good times and the bad times;
The tears and the smiles.
It's the campers; Mike and Kathy;
Of course, the counselors, too.
But most of all, Kamaji ---
It's me and it's you.

NO MAN IS AN ISLAND

[Chorus]

No man is an island, no man stands alone
Each man's joy is joy to me
Each man's grief is my own.
We need one another, so I will defend
Each man as my brother,
Each man as my friend.

I saw the people gather
I heard the music start
The songs they were singing
Were ringing in my heart.

[Repeat Chorus]

TELL ME WHY

Tell me why the stars do shine
Tell me why the ivy twines
Tell me why the skies are blue
And I will tell you just why I love you.

Because God made the stars to shine
Because God made the ivy twine
Because God made the sky so blue
Because God made you that's why I love you.

I do believe that God above
Created you for me to love
And picked you out from all the rest
To be the one that I love best.

I REMEMBER

I remember like a picture
You're frozen into time
A figure in my memory
From the days we left behind
All the laughter, the smiles
You are still to me a child
And I hear you, I hear your voice

I remember the smiles
I remember your tears
All the dreams we've shared together
I remember our years.

A touch or a breath
A laugh or a tear
You are now so far away from me
But memories kept you near
It was so long ago
We are so far apart
You are living inside my heart.

I remember the smiles
I remember your tears
All the dreams we've shared together
I remember our years.

When I think of all the faces
They slowly fade away
And maybe I'll see yours again
You'll be real to me someday
Though pictures sometimes dim
What we have will never fade
We're together now forever.

I remember the smiles
I remember your tears
All the dreams we've shared together
I remember our years.

RUN ALONG HOME

Now run along home, And jump into bed.
Say your prayers, And cover your head.
The very same thing, I say unto you:
"You dream of me
And I'll dream of you."

KAMAJI "SLOW" SONGS

I SEE THE MOON

[Chorus]

I see the moon
The moon sees me
The moons sees the one I want to see.
So God bless the moon
And God bless me
And God bless the one I want to see.

Seems to me that God above
Created you for me to love.
He picked you out
From all the rest
Because He knew I'd love you best.

[Repeat Chorus]

I had a heart and it was true
I gave my heart from me to you.
Take care of it as I have done
For you have two and I have none.

[Repeat Chorus]

I'm at camp and you're not here.
I want you to know that I still care.
And even though you're far away
I think of you both night and day.

[Repeat Chorus]

(sung in rounds)

A plea for one world
Is heard in many different lands.
This is a plea of a world
That is hungry for peace.
Let all men come together
Let all men come together
Striving to make the world better
Pledging their lives for peace.

COME FOLLOW

Come follow, follow, follow,
Follow, follow, follow, follow me.
Whither shall I follow,
Follow thee?
Whither shall I follow,
Follow thee?
To the greenwood,
To the greenwood,
To the greenwood, follow me.

TODAY

[Chorus]

Today while the blossoms
Still cling to the vine
I'll taste your strawberries;
I'll drink your sweet wine.
A million tomorrows shall all pass away,
There I'll forget all the joys that are mine
Today.

I'll be a dandy and I'll be a rover,
You'll know who I am by the song that I sing.
I'll feast at your table,
I'll sleep in your clover.
Who cares what tomorrow will bring.

[Repeat Chorus]

I can't be contented with yesterday's glory
I can't live on promises winter to spring.
Today is my moment and now is my story;
I'll laugh and I'll cry and I'll sing.

[Repeat Chorus]

GARDEN SONG

[Chorus]

Inch by inch, row by row
Gonna make this garden grow.
All it takes is a rake and a hoe
And a piece of fertile ground.
Inch by inch, row by row,
Someone bless these seeds I sow;
Someone warm them from below;
Till the rain comes tumblin' down.

Pulling weeds and picking stone
Man is made of dreams and bones
Feel the need to grow my own
'Cause the time is at hand.
Grain for grain - sun and rain -
Find my way in nature's chain
To my body and my brain
To the music of the land.

[Repeat Chorus]

Plant your rows straight and long
Thicker than with prayer and song.
Mother Earth will make you strong
If you give her love and care.
Old crow watchin' hungrily
From his perch in yonder trees.
In my garden I'm as free
As that feathered beak up there.

[Repeat Chorus]

KAMAJI "SLOW" SONGS

I'D LIKE TO TEACH THE WORLD TO SING

I'd like to build the world a home
And furnish it with love.
Grow apple trees and honey bees
And snow white turtle doves.
I'd like to teach the world to sing
In perfect harmony.
I'd like to hold it in my arms
And keep in company.
I'd like to see the world for once
All standing hand in hand
And hear them echo throughout the hills
For peace throughout the land.
That's the song I hear
Let the world sing today
A song of peace that echoes on
And never goes away.

REACH

Reach (yes reach)
Into yourself (yourself)
Don't be afraid
Of what you will find there.
Unique (unique)
Though it may seem (may seem)
Say what you mean
Each has his thoughts to share.

[Chorus]

Don't be your neighbor
Be yourself
Take a road with no one else
Find the star inside
You know is yours
And follow faithfully.

Extend (extend)
Within your soul (your soul)
Your wings of flight
Just as the eagle.
Believe (believe)
Have faith in your soul (your soul)
Accept how much
You mean to others.

[Repeat Chorus]

ALL MY LIFE'S A CIRCLE

[Chorus]

All my life's a circle
Sunrise and sundown.
The moon rolls through the nighttime
Till the daybreak comes around.
All my life's a circle
But I can't tell you why
The seasons spinning 'round again
The years keep rolling by.

It seems like I've been here before
I can't remember when
But I've got this funny feeling
That we'll be together again.
There's no straight line makes up my life
And all my road have bends.
There's no clear cut beginnings
And so far no dead ends.

[Repeat Chorus]

I found you a thousand times
I guess you've done the same
But then we lose each other
It's just like a children's game.
But as I find you hear again
The thought runs through my mind
Our love is like a circle
Let's go around one more time.

[Repeat Chorus]

SOMEWHERE OVER THE RAINBOW

Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullaby.

Somewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true.

Someday I'll wish upon a star
And wake up where the clouds are far
Behind me...
Where troubles melt like lemon drops
A way above the chimney tops
That's where you'll find me.

Somewhere over the rainbow
Blue birds fly
Birds fly over the rainbow
Why, oh, why can't I?

Repeat last three verses one time

KAMAJI "SLOW" SONGS

The 59th Street Bridge Song (Feelin' Groovy)

Slow down, you move too fast;
You gotta make the morning last.
Just kickin' down the cobblestones
Lookin' for fun and feelin' groovy -
Da da da da da da da - feelin' groovy.

Hello, lamppost, What'cha knowin'?
I've come to watch your flowers growin'.
Ain'tcha got no rhymes for me?
Do-dootin-doo doo - feelin' groovy.
Da da da da da da da - feelin' groovy.

Got no deeds to do, no promises to keep.
I'm dapple and drowsy and ready to sleep.
But the morning time drops all its petals on me.
Life, I love you - feelin' groovy.
(Repeat first verse and end)

Lonely People

This is for all the lonely people
Thinking that life has passed them by
Don't give up until you drink from the silver cup
And ride that highway to the sky.

This is for all the single people
Thinking that love has left them dry.
Don't give you until you drink from the silver cup
You'll never know until you try.

Well, I'm on my way...Yes, I'm back to stay
Well, I'm on my way back home.

This is for all the lonely people
Thinking that life has passed them by.
Don't give up until you from the silver cup
And never take you down or never give you up
You never know until you try.

FRIENDS

Packing up the dreams God planted
In the fertile soul of you.
Can't believe the hopes He's granted
Means a chapter in your life is through.

But we'll keep you close as always
It won't even seem you've gone
'Cause our hearts in big and small ways
Will keep the love that keeps us strong.

And friends are friends forever
If the Lord's the Lord of them
And a friend will not say never
'Cause the welcome will not end.

Though it's hard to let you go
In the Father's hands we know
That a lifetime's not too long
To live as friends.
With the faith and love God's given
Springing from the hope we know.
We will pray the joy you'll live in
Is the strength that now you'll show.

But we'll keep you close as always
It won't even seem you've gone
'Cause our hearts in big and small ways
Will keep the love the keeps us strong.

And friends are friends forever
If the Lord's the Lord of them
And a friend will not say never
'Cause the welcome will not end.

Though it's hard to let you go
In the Father's hands we know
That a lifetime's not too long...

...And friends are friends forever
If the Lord's the Lord of them
And a friend will not say never
'Cause the welcome will not end.

Though it's hard to let you go
In the Father's hand we know
That a lifetime's not too long
To live as friends.
No, a lifetime's not too long
To live as friends.

KAMAJI "SLOW" SONGS

HERE I SIT

We've been waiting for summer all year
When its back to Camp Kami,
we're coming back here
Nothing to worry about
Summer sun and watching the clouds
Being together, and being real loud.
Here I sit with all my friends
Here I sit as days come to end
Here i know safe I'll always be
Here with you and here with me
Big problems of yesterday seem so small
And what the real world tells us
doesn't matter at all
People say you can't be a kid for too long
But here my childhood is still going strong
Here I sit with all my friends
Here I sit as days come to an end
Here I know safe I'll always be
Here with you and here with me

BARGES

[Chorus]

Barges, I would like to go with you;
I would like to sail the ocean blue.
Barges, is there treasure in your hold?
Do you fight with pirates, brave and bold?

Out of my window, looking in the night
I can see the barges flickering light.
Silently from the river to the sea
As the barges do go silently.

[Repeat Chorus]

Out of my window, looking in the night
I can see the barges flickering light.
Starboard shines green and port is glowing red
I can see the barges from my bed.

[Repeat Chorus]

Barges, I would like to go with you;
I would like to sail the ocean blue.

FREE TO BE...YOU AND ME

There's a land that I see
Where the children are free.
And I say it ain't far
To this land from where we are
Take my hand, come with me
Where the children are free.
Come with me, take my hand
And we'll live...
In a land where the river runs free
In a land through the green country.
In a land to a shining sea.
And you and me are free to be
You and me.

I see a land, bright and clear,
And the time's comin' near,
When we'll live in this land
You and me hand-in-hand.
Take my hand, come along.
Take my hand, sing a song...
For a land where the river runs free
For a land in the green country.
For a land to a shining sea
For a land where the horses run free.
And you and me are free to be
You and me.

Ev'ry boy in this land
Grows to be his own man.
In this land, ev'ry girl
Grows to be her own woman.
Take my hand. Come with me,
Where the children are free.
Come with me, take my hand.
And we'll run...
To a land where the river runs free
To a land through the green country.
To a land to a shining sea.
To a land where the horses run free
To a land where the children are free.
And you and me are free to be
You and me.

KAMAJI "SLOW" SONGS

THAT'S WHAT FRIENDS ARE FOR

And I never thought I'd feel this way
And as far as I'm concerned, I'm glad I got the chance to say
That I do believe I love you.
And if, I should ever go away,
Well then close your eyes and try to feel the way we do today
And then if you can remember...

[Chorus]

Keep smiling, keep shining,
knowing you can always count on me,
For sure, that's what friends are for.
For good times, for bad times
I'll be on your side forever more...
That's what friends are for.

Well you came and opened me, and now there's so much more I see...
And so by the way I thank you.
And then, for the times when we're apart
Well then close your eyes and know these words are comin' from my heart
And then if you can remember...

[Repeat Chorus]

THIS LAND

As I was walking that road or highway
I saw above me the endless skyway
I saw below me a golden valley
This land was made for you and me.

[Chorus]

This land is your land
This land is my land.
From California to the New York Islands.
From the redwood forests to the Gulf Stream waters,
This land was made for you and me.

I've roamed and rambled
I've followed my footsteps
To the sparkling sand of her diamond deserts.
And all around me a voice was saying
This land was made for you and me.

[Repeat Chorus]

The sun was shining and I was strolling
The wheat fields waving, the dust clouds rolling.
The fog was lifting, a voice was sounding
This land was made for you and me.

[Repeat Chorus]

STAND BY ME

When the night has come
And the land is dark
And the moon is the only
Light we see.
No, I won't be afraid
Oh, I won't be afraid
Just as long as you stand,
Stand by me.

[Chorus]

So darlin', darlin' stand by me,
Oh, stand by me, oh, stand,
Stand by me, stand by me.

If the sky that we look upon
Should tumble and fall
Or the mountains should crumble to the sea.
I won't cry, I won't cry,
No, I won't shed a tear
Just as long as you stand,
Stand by me.

[Repeat Chorus]

WHAT A WONDERFUL WORLD

I see trees of green, red roses too
I see them bloom, for me and you
And I think to myself
What a wonderful world

I see skies of blue, and clouds of white
The bright blessed day, dark sacred night
And I think to myself
What a wonderful world

The colors of the rainbow, so pretty in the sky
Are also on the faces, of people going by
I see friends shaking hands, sayin', "How do you do?"
They're really sayin', "I love you"

I hear babies cryin', I watch them grow
They'll learn much more, than I'll ever know
And I think to myself
What a wonderful world

Yes, I think to myself
What a wonderful world
Oh yeah

KAMAJI "SLOW" SONGS

LIFE OF A VOYAGER

Life of a voyager, that of a sojourner,
Travels around and round
But not from town to town.
Travels the lakes and streams
Follows his distant dreams.
Peace on the waterways,
Blue skies, no cloudy days.

[Chorus]

My heart has but one home,
From which I'll never roam
Land of true happiness
Canadian wilderness.

The call of the lonely loon
Coyotes howling at the moon.
Wind rustling through the trees
That's a Canadian breeze.
Smoke rising from the fire
Up through the trees in stately spire.
All is well in the evening glow;
Sun goes down and the north wind blows.

[Repeat Chorus]

The calm waters of the morn
Reflects one lonely soul
Paddling so silently
That's undisturbed by he
Waters so pure and fresh
Untouched by human flesh
His life is sad but good
This is his chosen home.

[Repeat Chorus]

WHERE HAVE ALL THE FLOWERS GONE

Where have all the flowers gone,
Long time passing...
Where have all the flowers gone,
Long time ago?
Where have all the flowers gone
Gone to young girls everyone.
When will they ever learn.
When will they ever learn.

Where have all the young girls gone
Long time passing...
Where have all the young girls gone
Long time ago?
Where have all the young girls gone
Gone to young men everyone.
When will they ever learn?
When will they ever learn?

Young men...to soldiers
Soldiers...to graveyards
Graveyards...to flowers

LET'S GET TOGETHER

Love is but the song we sing
And fear's the way we die.
You can make the mountains ring
Or make the angels cry.
Know the dove is on the wing
And you need not know why.

[Chorus]

C'mon people now
Smile on your brother
Everybody get together
Try to love one another right now.

Some will come and some will go
And we will surely pass
When the one that left us here
Returns for us at last
We are but a moment's sunlight
Fading in the grass.

[Repeat Chorus]

If you hear the song we sing
Then you will understand
You hold the key to love and fear
All in your trembling hand
One key unlocks them both you know
And it's at your command.

[Repeat Chorus]

KAMAJI "SLOW" SONGS

500 MILES

If you miss the train I'm on
You will know that I am gone
You can hear the whistle blow
A hundred miles.
A hundred miles, a hundred miles,
A hundred miles, a hundred miles.
You can hear the whistle blow
A hundred miles.

Lord, I'm one; Lord, I'm two;
Lord, I'm three; Lord, I'm four;
Lord, I'm five hundred miles
Away from home.
Away from home, away from home,
Away from home, away from home.
Lord, I'm five hundred miles
Away from home.

Not a shirt on my back,
Not a penny to my name,
Lord, I can't go back home
This a way.
This a way, this a way,
This a way, this a way.
Lord, I can't go back home
This a way.

BLOWING IN THE WIND

How many roads must a man walk down
Before you can call him a man?
How many seas must a white dove sail
Before she sleeps in the sand?
How many times must the cannonball fly
Before they're forever banned?

[Chorus]

The answer my friend
Is blowing in the wind.
The answer is blowing in the wind.

How many times must a man look up
Before he can see the sky?
How many ears must one man have
Before he can hear people cry?
How many deaths will it take till he knows
That too many people have died?

[Repeat Chorus]

How many years can a mountain exist
Before it is washed to the sea?
How many years can some people exist
Before they're allowed to be free?
How many times can a man turn his head
And pretend that he just doesn't see?

[Repeat Chorus]

BOTH SIDES NOW

Rows and rows of angel's hair
And ice cream castles in the air
And feathered canyons everywhere
I've looked at clouds that way.
But now they only block the sun
They rain and snow on everyone.
So many things I would have done
But clouds got in my way.

I've looked at clouds from both sides now
From up and down and still somehow
It's clouds illusions I recall
I really don't know clouds at all.

Moons and Junes and ferris wheels.
The dizzy dancing way you feel
When every fairy tale comes real
I've looked at love that way.
But now it's just another show
You leave them laughing when you go
And if you care don't let them know
Don't give yourself away.

I've looked at love from both sides now
From win and lose and still somehow
It's love's illusions I recall
I really don't know love at all.

Tears and fears and feeling proud
To say I love you right out loud
Dreams and schemes and circus crowds
I've looked at life that way
But now friends are acting strange
They shake their heads
They say I've changed.
Well, something's lost and something's gained
In living everyday.

I've looked at life from both sides now
From win and lose and still somehow
It's life's illusions I recall
I really don't know life at all.

CORNER OF MY SKY

Everything has its season
Everything has its time
Show me a reason and I'll
Soon show you a rhyme...
Cats fit on the windowsill
Children fit in the snow
Why do I feel I don't fit in
Anywhere I go?

[Chorus]

Rivers belong where they can ramble
Eagles belong where they can fly...
I've got to be where my spirit can run free
Got to find my corner of the sky.

Everyone has their daydreams
Everyone has their goals
People like the way dreams have
Of sticking to the soul...
Thunderclouds have their lightning
Nightingales have their song,
Don't you see I want my life to be
Something more than long?

[Repeat Chorus]

Some people seemed destined
To settle for something small
But I won't rest until I know
I have it all.
So, don't ask where I'm going
Just listen when I'm gone
And far away you'll hear me
Singing softly to the dawn.
Rivers belong where they can ramble
Eagles belong where they can fly
I've got to be where my spirit can run free.
Kamaji's my corner of the sky.

ONE TIN SOLDIER

Listen children to a story
That was written long ago
About a kingdom on a mountain
And the valley folk below.
On the mountain was a treasure
Buried deep beneath a stone
And the valley people swore
They'd have it for their very own.

Chorus

Go ahead and hate your neighbor
Go ahead and cheat a friend.
Do it in the name of heaven
You can justify it in the end.
There won't be any trumpets blowin'
Come the judgment day.
On the bloody mornin' after
One tin soldier rides away.

So the people of the valley
Sent a message to the hill
Asking for the buried treasure
Tons of gold for which they'd kill.
Came an answer from the kingdom
"With our brother we will share
All the secrets of our mountain,
All the riches buried there."

[Repeat Chorus]

Now the valley cried with anger
"Mount your horses, draw your sword."
And they killed the mountain people
So they won their just reward.
Now they stood beside the treasure
On the mountain dark and red.
Turned the stone and looked beneath it.
"Peace on Earth" was all it said.

[Repeat Chorus]

KAMAJI "SLOW" SONGS

TEACH YOUR CHILDREN

You who are on the road
Must have a code
That you can live by.
And so become yourself,
Because the past is just a goodbye.

[Chorus]

Don't you ever ask them why?
If they told you, you will cry.
So just look at them and sigh
And know they love you.

Teach your children well
Their father's hell
Will slowly go by;
And feed them on your dreams
The one they pick,
The one you'll know by.

[Repeat Chorus]

And you, of the tender years,
Can't know the fears
That your elders grew by;
And so please help them with your youth
They seek the truth
Before they can die.

[Repeat Chorus]

Teach your parents well
Their children's hell
Will slowly go by;
And feed them on your dreams
The one they pick
The one you'll know by.

[Repeat Chorus]

THE CIRCLE GAME

Yesterday a child came out to wander
Caught a dragonfly inside a jar
Fearful when the sky was full of thunder
And tearful at the falling of a star

[Chorus]

And the seasons, they go round and round
and the painted ponies go up and down
We're captive on the carousel of time
We can't return,
We can only look behind from where we came
And go round and round and round
in the circle game

Then the child moved en times round the seasons
Skated over ten clear frozen streams
Words like, "When you're older," must appease him
And promises of "someday" make his dreams

[Repeat Chorus]

Sixteen springs and sixteen summers gone now
Cartwheels turn to car wheels through the town
And they tell him, "Take your time; it won't be long now
Till you drag your feet to slow the circles down

[Repeat Chorus]

So the years spin by and now the boy is twenty
Though his dreams have lost some grandeur coming true
There will be new dreams, maybe better dreams, and
plenty
Before the last revolving year is through

[Repeat Chorus]

And go round and round and round ... in the circle game

KAMAJI "SLOW" SONGS

PUFF, THE MAGIC DRAGON

Chorus

Puff, the magic dragon,
Lived by the sea
And frolicked in the autumn mist
In a land called Honna-Lee.

Little Jackie Paper
Loved that rascal Puff
And brought him strings and sealing wax
And other fancy stuff.

[Repeat Chorus]

Together they would travel on boat
With billowed sail.
Jackie kept a lookout perched on
Puff's gigantic tail.
Noble Kings and princes would bow
When e'er they came.
Pirate ships would lower their flag
When Puff roared out his name.

[Repeat Chorus]

A dragon lives forever,
But not so little boys
Painted wings and giant rings
Make way for other toys.
One gray night it happened
Jackie Paper came no more
And Puff, that mighty dragon,
He ceased his fearless roar.

[Repeat Chorus]

His head was bent in sorrow
Green scales fell like rain
Puff no longer went to play
Along the cherry lane.
Without his life-long friend,
Puff could not be brave
So, Puff, that mighty dragon,
Sadly slipped into his cave.

[Repeat Chorus]

SHOWER THE PEOPLE

You can play the game
You can act out the part,
Though you know it wasn't
Written for you.
Tell me how you can stand there
With your broken heart,
Ashamed of playing the fool
One thing can lead to another
It doesn't take any sacrifice
Oh-father and brother,
Sister and mother -
If it feels nice,
Don't think twice.

[Chorus]

Shower the people you love with love
Show them the way that you feel
Things are gonna work out fine
If you only will do as I say.
Shower the people you love with love
Show them the way that you feel
Things are gonna work out fine.
If only you will.

You can run but you cannot hide.
This is why you know
What you plan to do with your foolish pride
When you're all by yourself alone.
Once you tell somebody the way that you feel
You can feel it beginning to ease.
I think it's true what they say
About the squeaky wheels
Always getting the grease.

[Repeat Chorus]

KAMAJI "SLOW" SONGS

LEAN ON ME

Some times in our lives,
We all have pain,
We all have sorrow.
But, if we are wise
We know that there's always tomorrow.

[Chorus #1]

Lean on me,
When you're not strong
And I'll be your friend
I'll help you carry on.
For it won't be long
'Til I'm gonna need
Someone to lean on.

Please, swallow your pride
If I have things
You need to borrow
For no one can fill
Those of your needs
That you won't let show.

[Repeat Chorus #1]

[Chorus #2]

You just call on me brother
When you need a hand
We all need somebody
To lean on.
I just might have a problem
That you'll understand.
We all need someone to lean on.

[Sing Chorus #1]

[Sing Chorus #2]

If there is a load
You have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me.
Call me, call me, call me.

TRUE FRIEND

We sign our cards and letters BFF
You've got a million ways to make me laugh
You're lookin' out for me; you've got my back
It's so good to have you around

You know the secrets I could never tell
And when I'm quiet you break through my shell
Don't feel the need to do a rebel yell
Cause you keep my feet on the ground

[Chorus 1]

You're a true friend
You're here till the end
You pull me aside
When something ain't right
Talk with me now and into the night
'Til it's alright again
You're a true friend

[Verse 2]

You don't get angry when I change the plans
Somehow you're never out of second chances
Won't say "I told you" when I'm wrong again
I'm so lucky that I've found

[Chorus 2]

A true friend
You're here till the end
You pull me aside
When something ain't right
Talk with me now and into the night
'Til it's alright again

[Bridge]

True friends will go to the end of the earth
Till they find the things you need
Friends hang on through the ups and the downs
Cause they've got someone to believe in

[Chorus 3]

A true friend
You're here till the end
You pull me aside
When something ain't right
Talk with me now and into the night
No need to pretend
You're a true friend
You're here till the end
Pull me aside
When something ain't right
Talk with me now and into the night
'Til it's alright again
You're a true friend [3x]

IMAGINE

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people living for today

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people living life in peace

You, you may say
I'm a dreamer, but I'm not the only one
I hope some day you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people sharing all the world

You, you may say
I'm a dreamer, but I'm not the only one
I hope some day you'll join us
And the world will live as one

FIRE AND RAIN

Just yesterday morning they let me know you were gone
Susanne the plans they made put an end to you
I walked out this morning and I wrote down this song
I just can't remember who to send it to

[Chorus]

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Won't you look down upon me, Gitchi
You've got to help me make a stand
You've just got to see me through another day
My body's aching and my time is at hand
And I won't make it any other way

[Repeat Chorus]

Been walking my mind to an easy time my back turned
towards the sun
Lord knows when the cold wind blows it'll turn your head
around
Well, there's hours of time on the telephone line to talk
about things to come
Sweet dreams and flying machines in pieces on the ground

Oh, I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you, baby, one more time
again, now

Thought I'd see you one more time again
There's just a few things coming my way this time around,
now
Thought I'd see you, thought I'd see you fire and rain, now

WE ARE THE WORLD

There comes a time when we heed a certain call
When the world must come together as one
There are people dying
And it's time to lend a hand to life
The greatest gift of all

We can't go on pretending day by day
That someone, somewhere will soon make a change
We all are a part of God's great big family
And the truth, you know,
Love is all we need

[Chorus]

We are the world, we are the children
We are the ones who make a brighter day
So let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day
Just you and me

Send them your heart so they'll know that someone cares
And their lives will be stronger and free
As God has shown us by turning stone to bread
So we all must lend a helping hand

[Repeat Chorus]

When you're down and out, there seems no hope at all
But if you just believe there's no way we can fall
Well...well...well
Let's realize that a change can only come
When we stand together as one

[Repeat Chorus]

KAMAJI "SLOW" SONGS

WALKING AWAY

– by Sam Sosey

Now I look back on all the great times
It's hard to pick, the best pillow fight
Our favorite meal or our favorite song
It's hard to find a time when something felt wrong

The friends I've made in these short years
The mountains I've climbed, the conquered fears
Growing up today goes way too fast
Now all I look forward too, is looking back

[Chorus]

But there's a place in my heart where you can always
be
And there's a crack in my eye where you are all I see
If there's a home in your soul where I can always stay
There will be less tears now that we're walking away

Don't forget the time we laughed the whole night through
And don't forget the way I smiled at you
Some people wait forever for friends like mine
And I can't believe I'm gonna leave it all behind

[Repeat Chorus]

And what if you forget to write
And what if I can't fall asleep at night
What if I forget the way you pulled me through
Please think of me the way that I will always think of you

The crackle of laughter rings in my ears
I hear your name called, it forms tears
You gather up your bags and we begin to cry
And it's hard to find the right words to say good-bye –
Goodbye

[Repeat Chorus]

WALKING AWAY (continued)

There will be less tears now that we're walking away
Walking away
Now I look back on all the great times

Please think of me the way that I will always think of you

The crackle of laughter rings in my ears
I hear your name called, it forms tears
You gather up your bags and we begin to cry
And its hard to find the right words to say goodbye-goodbye

TAKE ME HOME

Almost heaven, in Minnesota
Camp Kamaji
On the Wolf Lake waters -
Life is old there
Older than the trees
Younger than the mountains
Growin' like a breeze

Country Roads, take me home
To the place I belong
Camp Kamaji, Minnesota
Take me home, country roads

All my memories gathered 'round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine
Teardrops in my eye

Country Roads, take me home
To the place I belong
Camp Kamaji, Minnesota
Take me home, country roads

I hear her voice
In the mornin' hour she calls me
The radio reminds me of my home far away
And drivin' down the road I get a feelin'
That I should have been home yesterday, yesterday

Country Roads, take me home
To the place I belong
Camp Kamaji, Minnesota
Take me home, country roads

Country Roads, take me home
To the place I belong
Camp Kamaji, Minnesota
Take me home, country roads
Take me home, now country roads
Take me home, now country roads

LET IT BE

When I find myself in times of trouble, Mother Mary comes
to me
Speaking words of wisdom, let it be
And in my hour of darkness she is standing right in front of
me
Speaking words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

And when the broken hearted people living in the world
agree
There will be an answer, let it be
For though they may be parted, there is still a chance that
they will see
There will be an answer, let it be
Let it be, let it be, let it be, let it be
There will be an answer, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

And when the night is cloudy there is still a light that shines
on me
Shine until tomorrow, let it be
I wake up to the sound of music, Mother Mary comes to me
Speaking words of wisdom, let it be
Let it be, let it be, let it be, yeah, let it be
There will be an answer, let it be
Let it be, let it be, let it be, yeah, let it be
Whisper words of wisdom, let it be.

MOON SHADOW

I'm being followed by a moon shadow
Moon shadow moon shadow
Leaping and hopping on a moon shadow
Moon shadow moon shadow
And if I ever lost my hands
Lose my plough, lose my land
Oh, if I ever lose my hands- Oh, if...
I won't have to work no more
And if I ever lose my eyes
If my colours all run dry
And if I ever lose my eyes - Oh,
I won't have to cry no more
Yes, I'm being followed by a moon shadow
Moon shadow moon shadow
Leaping and hopping on a moonshadow
Moon shadow moon shadow
And if I ever lose my legs
I won't moan and I won't beg
Oh if I ever lose my legs- Oh if...
I won't have to walk no more
And if I ever lose my mouth
All my teeth, north and south
Yes, if I ever lose my mouth- Oh if...
I won't have to talk...
Did it take long to find me
I ask the faithful light
Did it take long to find me
And are you going to stay the night
I'm being followed by a moon shadow
Moon shadow moon shadow
Moon shadow moon shadow
Moon shadow moon shadow

KAMAJI "SLOW" SONGS

I CAN SEE CLEARLY NOW

I can see clearly now, the rain is gone,
I can see all obstacles in my way
Gone are the dark clouds that had me blind
It's gonna be a bright (bright), bright (bright)
Sun-Shiny day.

I think I can make it now, the pain is gone
All of the bad feelings have disappeared
Here is the rainbow I've been prayin' for
It's gonna be a bright (bright), bright (bright)
Sun-Shiny day.

Look all around, there's nothin' but blue skies
Look straight ahead, nothin' but blue skies

I can see clearly now, the rain is gone,
I can see all obstacles in my way
Gone are the dark clouds that had me blind
It's gonna be a bright (bright), bright (bright)
Sun-Shiny day.

COUNT ON ME (Bruno Mars)

If you ever find yourself stuck in the middle of the sea,
I'll sail the world...to find you
If you ever find yourself lost in the dark and you can't see,
I'll be the light...to guide you
Find out what we're made of
When we are called to help our friends in need

[Chorus]

You can count on me like 1, 2, 3
I'll be there,
And I know when I need it can I can count on you like
4, 3, 2
And you'll be there,
Cause that's what friends are supposed to do, oh yeah
Woooooh, woooooh
Yeah yeah

If you toss and you turn and you just can't fall asleep,
I'll sing a song...beside you
And if you ever forget how much you really mean to me
Every day I will...remind you
Ohh
Find out what we're made of
When we are called to help our friends in need

[Repeat Chorus]

You'll always have my shoulder when you cry
I'll never let go
Never say goodbye

[Repeat Chorus]

Woooooh, Woooooh
You can count on me 'cause I can count on you

IF YOU WANT TO SING OUT, SING OUT

Well, if you want to sing out, sing out
And if you want to be free, be free
'Cause there's a million things to be
You know that there are

And if you want to live high, live high
And if you want to live low, live low
'Cause there's a million ways to go
You know that there are

[Chorus]

You can do what you want
The opportunity's on
And if you can find a new way
You can do it today
You can make it all true
And you can make it undo
you see ah ah ah
its easy ah ah ah
You only need to know

Well if you want to say yes, say yes
And if you want to say no, say no
'Cause there's a million ways to go
You know that there are

And if you want to be me, be me
And if you want to be you, be you
'Cause there's a million things to do
You know that there are

[Repeat Chorus]

Well, if you want to sing out, sing out
And if you want to be free, be free
'Cause there's a million things to be
You know that there are
You know that there are
You know that there are
You know that there are
You know that there are

KAMAJI "SLOW" SONGS

JOY TO THE WORLD

Jeremiah was a bullfrog
Was a good friend of mine
I never understood a single word he said
But I helped him a-drink his wine
And he always had some mighty fine wine
Singin' . . .

[Chorus]

Joy to the world
All the boys and girls now
Joy to the fishes in the deep blue sea
Joy to you and me

If I were the king of the world
Tell you what I'd do
I'd throw away the cars and the bars and the war
Make sweet love to you
Sing it now...

[Repeat Chorus]

You know I love the ladies
Love to have my fun
I'm a high life flyer and a rainbow rider
A straight shootin' son-of-a-gun
I said a straight shootin' son-of-a-gun

[Repeat Chorus 2x]

Joy to the world
All the boys and girls
Joy to the world
Joy to you and me

[Repeat Chorus 2x]

I wanna tell you
Joy to the world
All the boys and girls
Joy to the fishes in the deep blue sea
Joy to you and me

Joy to the world
All the boys and girls
Joy to the fishes in the deep blue sea
Joy to you and me

(fading)
Joy to the world
All the boys and girls

YOUR SONG

My gift is my song... and this one's for you
And you can tell everybody that this is your song
It may be quite simple, but now that it's done
I hope you don't mind, I hope you don't mind
That I put down in words...
How wonderful life is, now you're in the world

I sat on the roof and I cant tell for miles
Well some of these verses, well they,
they've got me quite cross
But the sun's been kind while I wrote this song
It's for people like you that keep it turned on

So excuse me forgetting, but these things I do
You see I've forgotten if they're green or they're blue
Anyway, the thing is, what I really mean
Yours are the sweetest eyes, I've ever seen

And you can tell everybody that this is your song
It may be quite simple but now that it's done
I hope you don't mind, I hope you don't mind
That I put down in words
How wonderful life is, now you're in the world
I hope you don't mind, I hope you don't mind
That I put down in words
How wonderful life is, now you're in the world

THE LEAVING SONG

And everytime I think of you
I'll remember all the good times that we've had
And every time I sing this tune
I will laugh, I will cry, I will close my eyes
Cause I know that it won't be long

Until we sing, we will write
We will laugh away the night
And the good times will never end
When we meet again

And I'm gonna be somewhat lonely
cause you know no one could ever fill your shoes
As iron sharpens iron you have thought me how to be a
stronger man
And I look forward to the day I learn again

We will sing, we will write
We will laugh away the night
And I know that it won't be long
Until we meet again

Though I wish that I were with you now
I know there's a reason for a space
I can dream of memories you're writing down
And I look forward to that day
And the smile on your face

We will sing, we will write
We might cry and we might fight
And the good times will never end
We will laugh, we'll relax, we'll reflect on the years we've
past
And I know that it won't be long, until we meet again.

KAMAJI "SLOW" SONGS

HERE'S TO THE NIGHT

So denied so I lied are you the now or never kind
In a day and a day love I'm gonna be gone for good again
Are you willing to be had are you cool with just tonight
Here's a toast to all those who hear me all too well

Here's to the nights we felt alive
Here's to the tears you knew you'd cry
Here's to goodbye
Tomorrow's gonna come too soon

Put your name on the line along with place and time
Wanna stay not to go I wanna ditch the logical
Here's a toast to all those who hear me all too well

Here's to the nights we felt alive
Here's to the tears you knew you'd cry
Here's to goodbye
Tomorrow's gonna come too soon

All my time is froze in motion
Can't I stay an hour or two or more
Don't let me let you go
Here's a toast to all those who hear me all too well

Here's to the nights we felt alive
Here's to the tears you knew you'd cry
Here's to goodbye
Tomorrow's gonna come too soon

EVER THE SAME

We were drawn from the weeds
We were brave like soldiers
Falling down under the pale moonlight
You were holding me like someone broken
And I couldn't tell you but I'm telling you now

Just let me hold you while you're falling apart
Just let me hold you and we'll both fall down

Fall on me
Tell me everything you want me to be
Forever with you
Forever in me
Ever the same

We would stand in the wind
We were free like water
Flowing down
Under the warmth of the sun

Now it's cold and we're scared
And we're both been shaken
Yeah, look at us man
This doesn't need to be the end

Just let me hold you while you're falling apart
Just let me hold you and we'll both fall down

Fall on me
Tell me everything you want me to be
Forever with you
Forever in me
Ever the same

Call on me
And I'll be there for you
And you'll be there for me
Forever it's you
Forever in me
Ever the same

You may need me there
To carry all your weight
But you're no burden I assure

You tide me over
With a warmth I'll not forget
But I can only give you love

Fall on me
Tell me everything you want me to be
Forever with you
Forever in me
Ever the same

Call on me
And I'll be there for you
And you'll be there for me
Forever it's you
Forever in me
Ever the same

Forever with you
Forever in me
Ever the same
Ever the same

KAMAJI "SLOW" SONGS

PEACE AND LOVE

May every star you wish upon
And every hope you're hangin' on come true
Out of everybody in the world
There's no one who deserves it more than you
I hope you find
Everything you've been dreamin' of
Only good things
No in betweens just
Peace and love

These words did not come easily
Still you know I had to write them down
You must know what you mean to me
I wish that you could always be around
I hope you find
Everything you are worthy of
I'm gonna miss you
But I only wish you
Peace and love

Peace and love
Tears of joy
Kindness of strangers
All of your roads
Paved in gold
By guardian angels
Wherever you may be in this world
My salutation says it all
May you always have enough
Peace and love

I let you go unselfishly
Cause everyone needs time to be alone
Well maybe time will bring you back
And if it does you'll always have a home
I sign my name
No one to blame it on because
I'm on your side
No question of pride

Peace and love
Tears of joy
Kindness of strangers
All of your roads
Paved in gold
By guardian angels
Wherever you may be in this world
My salutation says it all
May you always have enough
Peace and Love
